## Om produsenten:

We are simple and we know what we like. Uncork and enjoy. Our only denomination of origin is with whom you take it and where do you take it. The rest? Who cares!

We believe that the world of wine can be more laid-back and fun. That is why we have created a different brand. Inspired by the international movement of the rosé of the French Provence, the West coast of the United States, Scandinavian countries or the United Kingdom...

We were wondering:

*"Why isn't there a rosé from Barcelona?"*

In 2019 a group of curious entrepreneurs launched BORN ROSÉ Barcelona. A special rosé, born in a special city, with the aim of being a reflection and inspiration of a lifestyle. Barcelona, its light and its open character. Barcelona is not just a place, it's **a state of mind**.

In Born Rosé our vineyards are the experiences. The more you live, the better the wine. Fresh, light and easy to drink.

Our wine is TOP and probably the best rosé in Spain: made from organic grapes and natural fermentation.

**Vinifikasjon / Produksjonsmetode:** Young wine made in stainless steel tanks with temperature control during fermentation and conservation in a modified atmosphere.

**Om produktet:** Our rosé wine shows the fresh and lively character, essence of the Mediterranean. An elegant, refreshing, aromatic and versatile wine that will pair exceptionally with many special moments for you. To create this wine, we have used different varieties of red grapes where Grenache Noir predominates, an ideal variety to provide balance and character. All the grapes come from selected and organic vineyards. It works with cold film maceration to extract aromas and color, gently pressing for a maximum of 50% yield. The must ferments at a controlled temperature, which allows us to preserve the essence of the varieties and the aromatic expression as much as possible.

**Farge:** Pale rose petal color with bluish reflections.

**Duft:** Expressive wine, with high aromatic intensity where the memories of citrus (grapefruit and orange) and tropical (passion fruit and mango) stand out on a floral background of white flower (orange and magnolia) and refreshing
