WHITLEY NEILL GIN

Om produsenten:

Whitley Neill Gin is a premium handcrafted artisanal gin range and an established English brand with heritage dating back to 1762. Whitley Neill Gin is distilled at the multi-award-winning City of London Distillery, the first, and still the only, gin distillery in The City of London in 200 years.

Johnny Neill is an eighth generation distiller, and direct descendant of Thomas Greenall and JJ Whitley. After initially forging a career in investment management, he went on to delve deeper into his family distilling heritage and started on a new career path, founding the popular Whitley Neill Gin brand in 2005. Using nine of the highest quality botanicals, Johnny launched Whitley Neill Gin, its Original London Dry Gin and a range of flavours inspired by both his and his ancestors travels around the world, cementing him as one of the pioneers of the early gin boom.

Om produktet: This gin represents a very classic London Dry expression, focusing on one citrus, dried orange peel. The profile is rounded with the earthy spice and bitter-sweet balance taking centre stage. Soft and rounded aroma. Still present juniper, now followed by bitter sweet candied orange flavour. A subtle underlying floral note lightens the nose. Strong flavour notes of candied orange, a touch of white pepper and a solid backbone of juniper. Seemingly a little sweeter and softer than the original. A pleasant oily texture cools the mouth. The orange persists through the finish. Juniper is still present and compliments the citrus. A little earthy and woody.
